## Message from the Head Teacher

### *Our Vibrant Learning Community Includes and Values Everyone Inspiring ALL to Succeed*

I hope that this prospectus will give you an insight into Broadfield Specialist School and a sense of what we are about.

Broadfield is a Generic Learning Difficulties School for students aged 11-19 years. Students and their learning are at the heart of all that we do. It is such an honour to be the Head teacher of this truly amazing school. We were judged to be outstanding by Ofsted and have received 'Lancashire Special School of the Year' for two years running in 2014 and 2015.

Everyone working in the school is dedicated to providing an education which is challenging, engaging and personalised so our students can learn and thrive during their time at school.

Our experienced and dedicated staff team is committed to working in close partnership with the parents who entrust us to teach and prepare their children for their future lives. We are committed to providing high quality and innovative teaching and learning for all our students irrespective of their needs.

I am always delighted to receive enquiries and all visitors to Broadfield can be assured of receiving a warm welcome.

Angela Wade, Headteacher
