Work Experience Case Study - Home Management

James - Year 14
Hargreaves
House

Employer Description

Hargreaves House is a residential care establishment based in Oswaldtwistle. It provides respite care for vulnerable youngsters with disabilities aged under 18 years old. This service is vital in giving families a well deserved and appreciated break where they can spend quality time with other family members and children. Staff at Hargreaves house are fully trained and knowledgeable in the work they do, leaving families with the peace of mind that their son/daughter is well cared for.

Role and Responsibilities

James learnt a variety of life skills whilst on his placement, issues surrounding Health & Safety and the importance of team work. He worked alongside a member of staff there doing various tasks from making beds, cleaning and vacuuming, administration work to working in the kitchen baking and preparing tea for that evening.

Comments from James

I enjoyed helping Scott at Hargreaves House, even if I had to scrub up the toy boxes! One of my favourite tasks was designing my work experience timeline and inputting the data on the computer.

Comments from the Employer

James has been a pleasure to have at Hargreaves House. He was polite, enthusiastic and eager to learn. James worked hard, followed instructions, was responsible and keen to do varied types of work. He had a very smart appearance and his timekeeping was excellent.
