

## Work Experience

We have been very fortunate to secure several new placements this year with other employers continuing to support us enabling our students to benefit from the experience, giving them a real insight into the world of work. The majority of the students have enjoyed their work experience and gained a lot from it.

We have had positive feedback from the employers, some of whom have also said that our students performed better in the work place than those from mainstream schools! We are all very proud at Broadfield of the behaviour of our students; they are great ambassadors for our school.

We would like to thank everyone for their support and for giving our students this opportunity.

Here are a selection of the businesses that support us.  
As you can see our students are hard at work and are enjoying the experience.
