

BROADFIELD SPECIALIST SCHOOL – LEADING PARENT PARTNERSHIP—NEWSLETTER

Term 2—2016/17

Our Parents' Support Group meets regularly throughout the year, this term we have enjoyed many events including our regular chill and chat meetings at Oswaldtwistle Mills, a workshop for parents explaining Sensory Learning in school and a visit to Boundary Mill, Colne, for shopping and lunch.

We have been on visits to Burnley and Nelson and Colne colleges to give parents the opportunity to look at the SEN provision for students that are moving on from Broadfield.

We held our new Parent /Student achievement days this term and feedback from parents, students, and staff has been very positive. Future Parent /student achievement days will continue to be in this format.

All our meetings are created at the request of parents, if you have a particular subject that you would like to know more about or a place you would like to visit, please complete the slip below and I will try to accommodate your requests

Visit to Burnley College

KS3 Student Achievement Day

KS3 Student Achievement Day
