

Broadfield Specialist School

Work Experience Case Study - Tinker Brook Garage

Phillip - Year 10
Tinker Brook Garage

Employer Description

Established for over 20 years with extensive experience in the motor trade

Address: Sadler Street Industrial Estate, Sadler St, Church, Accrington BB5 0HP

Role and Responsibilities

Phillip completed a 10 week placement at Tinker Brook Garage in March 2017. He made good relations with the team and settled in well. Whilst working at Tinker Brook Garage, Phillip learnt about Health & Safety in the work place and the importance of wearing protective clothing and safety boots. He also learnt how to use some of the machinery. Phillip tried his best at everything he did.

School are very proud of him!

Comments from Phillip

I learnt how to banter with adults and remain calm in dodgy situations.

I learnt how to overcome fears and how to become more independent.

Comments from the Employer

Phillip did as instructed all the time and took everything seriously. He remembered what needed to be done from week to week. Phillip is a good team member who always got involved. His timekeeping and attendance were very good.
