Libbie - Year 10

Hippings Methodist
Primary School

Employer Description

Heron Way

Oswaldtwistle

Lancashire

BB5 3BT

Tel: 01254 234089

Role and Responsibilities

Libbie's work placement at Hippings Methodist Primary School proved to be a great success. Libbie was a fantastic help in the classroom, supporting the children with their reading, writing, ICT lessons, and helping them with their coats at break time. She showed that she has a good relationship with young children, they looked forward to her weekly visits and enjoyed having her in class. Staff in school were appreciative of her help and were impressed with the way she conducted herself in school. Well done Libbie!

Comments from Libbie

I have learnt lots of new skills that I will always be able to use. I have gained lots of confidence and I feel very proud of myself.

Comments from the Employer

Libbie always arrived on time and attended every week. She was greatly enthusiastic with the children and kept them interested in their work. Libbie was interactive with both children and staff and was a great team player.
