

Mrs. Eileen Stubbs

Mrs. E. Stubbs
Co-Opted Governor
Chair Of The Board Of Governors
Appointed: 01 January 2015
End Date: 31 December 2018

"Before joining the Governing Body at Broadfield in 2012 I had been a Governor at four schools; initially as a Parent Governor and later in my role as Headteacher of two Primary schools. When I retired from Headship I had a break from being a Governor, but then decided I missed it! I felt I could use my experience and skills to support another school and am so glad I chose Broadfield. I already knew a little about the school, having lived in Hyndburn for over 40 years and am now very proud to be connected with this outstanding school. I have always striven to support the needs of all children, ensuring that each young person is able to reach their potential and so have the very best start in life, an aim central to the ethos at Broadfield. The kindness, hard work, high aspirations and respect shown by everyone in the school community leaves me in awe of both our staff and students. I hope to be a part of Broadfield's future as we go from strength to strength."
