

Mrs. Clare Wood

Mrs. C. Wood

Parent Governor

Appointed: 01 September 2016

End Date: 31 August 2020

I live in Rossendale and I am married with two children, both of whom are at secondary school in Rawtenstall.

My background is in social work and I worked across several teams in Lancashire for over 10 years before realising that I really wanted to work in a more therapeutic way, which led me to train as a counsellor. I qualified in 2001 and since then I have found that most of my work is now with children and young people in different schools in East Lancashire. I have worked at Broadfield for approximately five years, offering confidential counselling to pupils one afternoon per week.

My other work experience is for Rossendale Valley Mencap and Gateway Club, which I have been involved with for 15 years. I served on the committee for 10 years and have also helped to develop day support for young people and adults who have a learning and/or physical disability, including an allotment group in Rawtenstall. This came about after my mum, myself and several other volunteers identified a shortfall in support and provision in our area.

I feel proud to be a governor at Broadfield, having seen the incredible level of support, teaching and care that each pupil is offered at the school. I believe that Broadfield offers a happy, warm and encouraging environment in which each pupil is enabled to learn, grow and develop in order to reach their full potential.
