# Bendrigg Lodge

In May a group of ten students and four staff took part in our yearly trip to Bendrigg Lodge in the Lake District.

Monday—On arriving at Bendrigg we had lunch and then in the afternoon we explored the grounds, went on a tube slide and tried our hands at archery where some of the students hit the bulls eye!

Tuesday—We took part in activities including the Zipwire, riding bikes around the grounds and indoor climbing. In the evening we made popcorn and toasted marshmallows around a campfire.

Wednesday—Today we took a caving trip to the Yorkshire Dales where we had the chance to climb a waterfall! In the evening we had a pottery class and made models of birds.

Thursday—We spent the day on Lake Windermere enjoyed canoeing where we found a beach on the side of the lake where we had our lunch. Some of us swam in the lake and then it was ice cream time!

Friday—We are sad to have to leave Bendrigg having had such a great time. We were really lucky with the weather, have taken part in great activities, had lovely food and enjoyed the 'Team Building' during the week. A picnic lunch in Kirby Lonsdale and then back to school!
