Head Teacher's Responsibilities and Duties as Premises Manager of their School

Introduction

All LCC occupied buildings must designate a person to be responsible for ensuring that all necessary premises management duties are carried out and records are kept for that building e.g. water hygiene management regimes; asbestos survey reports, associated plans, etc. In the case of schools within the County Council, the Director for Children and Young Persons has determined that the Premises Manager is the Head Teacher. The Head Teacher, as Premises Manager, may delegate duties to others but will still retain overall responsibility.

Responsibilities and Duties

It is the responsibility of the premises manager to ensure that arrangements are in place to manage all aspects of the school premises in compliance with the County Council's Premises Management Guidance and Record document and the Fire Safety Log Book including necessary inspection and maintenance regimes in relation to:

- Asbestos
- Management of Contractors including Client duties required by the Construction, Design and Management Regulations
- Electrical Safety
- Fire Safety
- Gas Installations
- Lifting Equipment
- Pressure Systems
- Security
- Water including the control of Legionella bacteria and lead in water
- Transport Safety
- Oil/Fuel Storage
- Local Exhaust Ventilation (LEV)
- Waste Management
- Workplace Inspections
- Winter Services Provisions (Gritting)
- Automatic Doors
- CDT Equipment
- Other premises issues as appropriate to the building

The Council's Property Group has arrangements in place for the inspection and maintenance in relation to many of the premises matters above. However, some schools do not subscribe to all or part of these arrangements. Where this is the case the Head Teacher, as the Premises Manager, is responsible for making suitable arrangements with competent contractors which must be to at least to the same standard as those operated by Property Group.

Other responsibilities include:

- Ensuring that records are kept in relation to the above premises matters in the Premises Management Guidance and Record and the Fire Safety Log Book in compliance with County Council guidance and are made available to interested parties for their use including those using the premises out of school hours;
- Ensuring that appropriate documents in the Premises Management Guidance and Record are brought to the attention of any contractors etc working on site e.g. the Asbestos Survey Report;
- Ensuring that all staff are made aware of the arrangements for managing the above premises matters and the related records as held in the Premises Management Guidance and Record to the extent to which they may affect their work or responsibilities;
- Ensuring that communication and co-operation is established between all occupants if the school is shared with other users, regardless of who owns the building.

Competency of Premises Manager

In order to carry out their responsibilities and duties as Premises Manager, Head Teachers or Senior Designated Officer are required to undertake Health & Safety Competency training in the following areas:-

- Mandatory H&S Competency 9 – Management of Contractors
- Mandatory H&S Competency 10 – Premises Issues
- Mandatory H&S Competency 10a - Fire Risk Assessment
- Mandatory H&S Competency 10b – Emergency Preparedness & Response
- Mandatory H&S Competency 10c – Control of Legionella and Water Hygiene
- Mandatory H&S Competency 10d – Management of Asbestos
- Mandatory H&S Competency 10e – Electricity at work
- Mandatory H&S Competency 10f – Lifting Equipment (where applicable)

Training is available in all the competencies via the [Health, Safety and Wellbeing Learning and Development Pages](#)

Competencies 10a – 10f may be undertaken by another person nominated to carry out the relevant duties by the Premises Manager but the responsibility to ensure those duties are undertaken stays with the Premises Manager.

Audit of Premises Management

The Premises Management Guidance and Record for the school will be subject to Internal Audit by the Health, Safety & Wellbeing (Systems & Audit) Team.
