## Monday

After leaving school and a brief stop for a drink at McDonalds we continued to Waddington near Clitheroe where we had our lunch at The Waddington Arms. In the afternoon we checked into our hotel and then visited Shackleton's Garden Centre. After a pizza dinner at 'The Emporium' in Clitheroe we went to see a film at Vue Cinema.

## Tuesday

After a late breakfast we departed for Salford Quays where we had our lunch and looked around the shopping centre. In the afternoon we went to The Imperial War Museum before having our dinner at Harvester Restaurant. In the evening we saw 'Slava's Snow Show' at the Lowry Theatre.

## Wednesday

After our breakfast we tidied our rooms and left the hotel for Skipton where we took a narrowboat cruise on the Leeds to Liverpool Canal. After lunch we made our way back to school having had a really great time!
