Our Aims and Mission Statement

To deliver a relevant, purposeful and responsive curriculum applied in a 'real life' context.

To provide expertise for SEN with specialist teaching and learning environments and highly trained and committed and professional staff.

To offer a personalized learning journey taking into account students strengths and future aspirations.

To foster a safe nurturing environment which promotes care and respect for everyone.

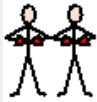

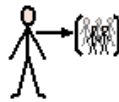

To develop students personal independence and prepare them for adulthood by building confidence

Our Mission Statement is

'Our vibrant learning community includes and values everyone, inspiring all to succeed'

We explain this ethos to our students with the following motto:

 At Broadfield School

We **Belong,** **We** **Believe,** **We** **Enjoy** and **Achieve.**
