

Miss Louise Preston

**Miss. L. Preston
Staff Governor**

**Appointed: 01 September 2016
End Date: 31 August 2020**

I was born in Oswaldtwistle and have lived in the area for all my life. I teach Computing at Broadfield having previously taught in a variety of local mainstream schools.

I have two boys aged 11 and 9, one of whom has ASD, who attend a local primary school. I am often to be found running which has given me much enjoyment as well as raising funds for different charities.

I am pleased to be a Governor at Broadfield and am looking forward to helping to move the school forward over the next years.
