Bendrigg Lodge

In April a group of eleven students from class 3Sk and three staff took part in our yearly trip to Bendrigg Lodge in the Lake District.

Monday—On arriving at Bendrigg we had lunch and met our tutor who talked to us about the activities we would be taking part in. After un packing and making our beds we explored the grounds, enjoyed a rope course, archery and bike riding. After our evening meal our activity was indoor caving and then after a shower it was time for bed.

Tuesday—After an early breakfast we chose our wet suits and spent an exciting morning canoeing. It was back to Bendrigg for lunch and then rock climbing in the afternoon. The evening gave us a chance to visit the tuck shop and sit around a camp fire before our shower and bed!

Wednesday—After breakfast it was time to pack and take the sheets off our beds. We made a picnic lunch for the journey home which we ate on picnic benches near Kirby Lonsdale.

We arrived back at school in time to get the usual transport home. We were tired but everybody had a great time!
