Work Experience Case Study - Springhill Care Home

Ben and Megan
Springhill Care Home
Oswaldtwistle

Employer Description

Our home provides top quality luxury en-suite accommodation, and personalised care and support for adults and older people with a variety of needs. Our services include nursing care provided by our team of highly skilled Registered Nurses, residential care, rehabilitation, respite, and day care services.

Role and Responsibilities

Whilst on placement Ben and Megan helped with the activity group. The activity group provides different activities such as games and exercise to give the clients an afternoon of fun and socialization.

Ben and Megan assisted staff in setting up the activity and making sure the clients had everything they needed.

Comments from Ben and Megan

Ben: "I have enjoyed my time at Springhill Care Home. My favorite part of my experience is helping clients and making them laugh with my jokes."

Megan: "My time at Springhill has been amazing. I have enjoyed everything about my placement and have enjoyed every single minute. I would also like to thank the clients and staff for making me feel welcome during my work experience"

Comments from the Employer

The staff at Springhill have said what a pleasure it has been working with Ben and Megan. The clients have enjoyed doing different activities with them e.g. painting, dominoes and exercises.
