**Three Nights  
Monday 2nd July 2018**

**Monday**

After leaving school we drove to Filey for lunch and then checked in to our two Haven caravans. In the evening we shared the most enormous pizzas!

**Tuesday**

After breakfast we set off for Scarborough where we had lunch, visited Peasholme Park where we went on pedalos, walked along the seafront and took a steam train back to the park. In the evening we watched England play in the World Cup and had fish and chips in our caravans.

**Wednesday**

After breakfast we set off for Whitby where we walked along the seafront and had our lunch in Wetherspoons. In the afternoon the group split—some went on a boat trip in the harbour and the others visited a Dracula exhibition! In the evening we watched the entertainment in the club house and enjoyed a Disco.

**Thursday**

After packing and breakfast we set off for Bridlington where we looked around the harbour and had ice creams. Then it was time to drive back to school. Everybody had a great time!
