Role and Responsibilities

- Preparing and clearing away activities
- Assisting indoor and outdoor play
- Assisting at story time
- Assisting at snack time
- Helping children with coats and hats

Charlotte completed her work experience at Fairfield Nursery School in Accrington. She developed relationships with the staff and children and worked well as part of a team. Charlotte listened to instructions and completed tasks such as preparing the children's activities. She also helped settle the children on the carpet for story time and snack time. During her work experience Charlotte increased in confidence and further developed her communication and independence skills.

Charlotte said, " I really enjoyed playing in the water with the children."
