

Student Council 25/26

This year, students from across the school have come together to share their ideas and opinions about how to make our school an even better place to learn and grow. Their enthusiasm, passion, and commitment to positive change has been inspiring.

Through regular Student Council meetings, pupils have worked closely with members of the SLT to discuss important improvements. As a result of their valuable feedback, we have been able to implement a number of significant changes across the school. We are incredibly proud of our students for speaking up, sharing their views, and helping to shape the future of our school. Their contributions continue to make a real difference to our school community.

Example of some changes we have made this year:

- Meal deals
- Significant changes to the school day next year
 - More equipment on the school yards
 - Wellbeing check ins with students
 - Tuck shop
- More clubs

Thank you to all of the students who have been involved in the Student Council this year. We are incredibly proud of everything you have achieved and look forward to welcoming new members and hearing fresh ideas when the Student Council returns in September 2026.
