

EXTENDED SERVICES BROADFIELD SPECIALIST SCHOOL

RESIDENTIAL TRIPS

Residential trips involve at least one overnight stay. They have been running successfully for many years at Broadfield. We offer:

- **London**
- **Ormside Mill, Cumbria**
- **Cala Gran, Fleetwood**
- **Bendrigg trust, Kendal**
- **Brickhouse Farm, Hambleton**
- **Centre Parcs**
- **One night away to watch a musical**
- **Calvert Trust, Keswick**

We aim to provide residential trips for all students in school. We provide different residentials to meet each student's individual needs. The residentials are for students to experience being away from their family life and school life. These trips are a brilliant way to see, explore and investigate, whilst building confidence within different social settings and spending time with their peers. The cost depends on the setting and duration.
